Tim Foote's 40 LB Humbolt and 8 lb Vermillians donated to children's orphanage ... WTG!!! Caught during daylight hours in Bahia de Todos Santos, they filled the boat with Humbolts, Reds, Ling Cod and other rock fish. The guys from the Guadalupe Valley La Paz orphanage came to our slip and we loaded over 30 of them into the carts to feed the 50+ orphans in their housing. They were very thankful and glad.
