

Kid's Fishing Day on Crystal Pier

Bob Porter helps clean and serve lunch

Our President and crew cook it up and serve. Easy on the ketchup Hector!

Hector makes sure every kid gets what they want, and how they want it.

The "First Lady" serving up chips ... a little for you, and a little for me...

Fox takes a break from cooking hot dogs while Tom, Curt and Hector serve them.

A Special thanks to all those who came to help. I am sure the kids were very grateful!
