Requirements for purchasing a sport fishing license online:

- To purchase a license for yourself, you must provide your name, residency status, driver's license number, date of birth, residence address, height, weight, hair color and eye color.
- To purchase a license as a gift for someone else, you must provide the licensee's name, residency status, date of birth, and residence address.
- Must use a Visa or MasterCard for secure purchasing.
- Must have a printer to print license.
- Information must be accurate.
- There are no voids or refunds.
- Internet browser: Microsoft Internet Explorer 6.0, Safari 3.1 or Firefox 2 or newer.

How will I receive my license?

- For annual licenses, your license will be mailed to you within 10 days. However, at the end of the transaction you will be able to print a temporary document for immediate use until you receive your license. **NOTE:** The temporary document will become invalid after 15 days. If you need a report card for an immediately planned activity, please go to an Authorized License Agent for the entire purchase.
