San Diego Rod and Reel Club

619-610-8426

Meeting: June 2nd, '11

- Happy Hour 6:00
- 7:00 Meeting
- Bob Hoose of Pure Fishing

President
Fox Ludwig

Our June meeting will be at the Bali Hai restaurant and it will be a swap meet meeting on June 2nd, so bring all your unwanted or unused gear and trade it or sell it for some quick cash. Our guest speaker will be Bob Hoose from Pure Fishing. He has a lot of experience on the water and he will be sharing a lot of information with us. So, be sure to come to the next meeting.

We had a great time at Lindo Lakes Catfish Derby on May 14th. I want to thank all the club members that showed up and helped serve 1,000 hotdogs. We had so much help from our club members that everything went so smooth and easy. Again, thanks to all who helped. Our club pride and participation was awesome!

I'm sure our triple B tournament was a success and I want everyone to thank Jesse Ruble, our Tournament

Director, for donating all the food and his time at the Barbeque. Due to prices and the economy, we voted to cancel the barbeque and Jesse volunteered he would buy and prepare all the food. Thanks Jesse for all your dedication and hard work.

Our next tournament will be a Yellowtail tournament on Saturday, June 25th with the side pot cash pay-out for the largest Sand Bass, Calico Bass or White Sea Bass. We will have the weigh in and barbeque at the wave on shelter island from 3:00 pm -5:00 pm.

If anyone has room on their boat and need fishermen or fisherwomen to fill up the empty space, or you need a boat to fish on, please let me know as soon as possible for the best results. I cannot promise anything, but I definitely will try to help.

If you would like to volunteer and help at our next function, it will be at Crystal Pier on July 30th. We will be serving hotdogs to all the kids fishing that day. So, please contact myself or any board member to let us know you would like to volunteer.

Remember tight lines and sharp hooks,
Fox Ludwig

Vice President
Rhonda Ito

Hello FCM's..

The past few months have been filled with so many events. This last event at Lindo Lakes turned out to be the best event so far. We served over 1,000 hot dogs and we were able to see lots of kids with some very nice catfish. To Everyone in the club who participated, I would like to say "Thank You." Just hanging out with everyone and having a good time made the day all that more fun. I hope to see everyone at the BBQ at the end of the month, and please be sure to thank Jesse and his wonderful wife Vicki for donating all of the food for the event. Way to go Jesse!

Weigh Master:
By: Jim Morgan

I wasn't able to be at the last tournament due to my new Grand Daughter's baptism in Ensenada. Just want to thank Rhonda for doing the weigh in at the Wave for me.

I only received weight receipts from 18 club members from the Southwestern Yacht Club weigh in, so here are the results:

First place was a tie, but as I understand it, Glenn Davis weighed in first with a 4.65lb Rock Fish and Megan Burlason weighed in the same weight fish. So, First Place goes to Glenn and Second Place goes to Megan. Good Job to both of you. Third Place went to Jim Shelby with a 4.40lb Rock Fish as did the biggest Lingcod weighing in at 8.20lbs, winning him the side pot!

The Sports Points are as follows:

Mens:

Ed Howerton	8 Points
Francisco Fuentes	5 Points
Glenn Davis	5 Points
Dennis Burlason	4 Points

Womens:

Lori Sachau	5 Points
D.J. Ludwig	5 Points
Megan Burlason	5 Points
Cheri Fleming	4 Points
Debbie White	3 Points

Juniors:

Andrew Warren	9 Points
Diego Plotegher	5 Points
Sara Itogawa	3 Points

I'm excited about the next tournament and will see you all at the weigh in at the Wave

Thank you all for your participation in the tournaments and your support of the club.

Capt. Jim Morgan

Tournament Master:
Jesse Ruble

Hey Fellow Club Members,

We had a good turnout at the Bottom Fish Tournament. We had 5 Annuals, 11 Members, 2 Juniors and 5 Non-Members. Check with Capt. Jim Morgan for the final results on the weigh-in.

If you get this bulletin beforehand ... Our next Tournament is on May 28th ... it's our **TRIPLE 'B' Tournament**. Lines in at 6am. Weigh-in at the Wave between 2pm - 4pm. Species are Bass, Bonito and Barracuda. The **Side Pot** will be **'YELLOWTAIL'**.

Since there is no meeting before the May 28th Tournament, we will be taking sign ups by e-mail or phone. Please take care of your fees at the Wave when you weigh in your fish.

Member's entry fees are \$20.00, Non-members are \$25.00, Juniors are free and Annuals need only pay for the side pot. The side pot is \$10.00 for Members and Non-Members, and all aboard each vessel will have to enter if one person does.

For all Annual Tournament members (members who paid for all tournaments at the beginning of the year), you still need to sign in for all Tournaments. Including side pots, any boats or annuals who do not sign in before the Tournament will not have their fish counted. This also includes Side Pots. So, make sure you let me know.

See you there!

Good Luck to All,

Jesse Ruble
Tournament Master

Remaining Schedule:

May 28th, Triple B
June 25th, Yellowtail
July 23rd – 24th Tuna
September 17th, IGFA
October 8th, Lobster
October 22nd, Bay Halibut
November 12th, vs Anglers

While you're cleaning out your garage for the swap meet this month, don't forget to look through your dressers and closets too.

WE ARE HAVING A SPECIAL, "TRADE UP YOUR T-SHIRTS", table at the next meeting. You can trade in up to three shirts that haven't been worn. Maybe you have some that aren't your size, not your style, or you won them in a raffle. If they have a fishing related image or logo on them, we'd like to offer you half off any new Rod & Reel Club T-shirt, plus a trade-in shirt for a

new club shirt. We will use these shirts the next time we take kids and their dads out fishing and use them for prizes. At the same time, our club members are wearing their new club shirts. OK, here's your chance ladies to sort through your man's stack of shirts and help make room in the closets.

I look forward to seeing you and your shirts!

The July 14th meeting will be at the Bali Hai.

Speaker:
I am sorry that I missed Neil Henry Ford's presentation at the last meeting. I was busy catching Cabrilla in Baja. I heard, however, that it was an excellent presentation. As I noted previously, Neil is a very enthusiastic speaker and he, apparently, was well received. I want to thank Lou for helping out with getting Neil there on time and meeting with him beforehand.

I guess there were some issues with club members talking over the speaker. In order to be able to get good, quality speaker for the club, we really have to be respectful to them when they are at the meetings. If someone near you is talking while the speaker is presenting, please tell them to go outside.

For our next meeting, our guest speaker will be Bob Hoose. Bob is the West Coast

Saltwater Field Service Manager for Pure Fishing. Pure Fishing includes the following brands: Penn, Abu Garcia, Berkley, Shakespeare, All Star Rods, Fenwick, Johnson, Mitchell, Pflueger, Spiderwire and Stren. Bob will talk to us about fluorocarbon leader techniques for tuna (Albacore and Bluefin). Bob has been in the fishing business for over 25 years. One of his first jobs was working for Newport Bait Company. He then became a deckhand on one of the local Newport Landing six-pack charters.

He managed the tackle department at Bisbee's Sportfishing Headquarters and then worked for 7Strand at their Long Beach manufacturing office. When 7Strand was bought by Pure Fishing, Bob went to work there. Bob is an expert on tuna and Marlin fishing. I am sure that he will have plenty of valuable tips to share with us.

Hello FCM,S

The May meeting was a great success. The guest speaker was very informative as the presentation of fishing for Bass. I think that he really knows his stuff about fishing and it sounds like most of his fishing is done around Long Beach. His plastics and Lead Heads were very nicely done what a unique concept he came up with. I think they should work very well and I can't wait to try them out for real.

The raffle went quite nice because of the items I was able to buy at the Fred Hall and Day at the Docks shows. I put out 3 Blue Diamond rods, 2 Okuma rod and reel combos, also 1 Shimano Torium 20 reel, a Fin

Nor ST 30 reel and I had many boxes of plastics, Irons and Mega jigs. I also put out 3 bags with 12 Tuna Clones, and so much more. The raffle table had well over \$ 1,000.00 dollars in retail price worth of fishing tackle of all sizes. Sorry for those of you that missed a great meeting and raffle ... maybe because of Cinco de Mayo.

Do you have any new, unused fishing items? Whether you won them in one of the raffles, received them as gift, and you are not going to use them, how about recycling those unwanted items? I will trade you fair value for raffle tickets at any upcoming regular meeting raffle. Of course, it is at my sole discretion how I place a value on the items that you wish to recycle back into the clubs raffle inventory. Don't hesitate to bring those unwanted new items and lets see how many raffle tickets I can give to you in trade. I just thought I might try something new. I call it the "recycling program" or "roll-over program."

See you at the table and...
ROLL THE BARREL!!!

We are still in the process of lining up sponsors for tournament prizes and raffle prizes. Your help is needed in making the tournament a success. If you know of anyone that might be able to make a donation (big or small) to the club, please notify me. Also start asking friends if they would like to join us at the seminar and in the tournament

We have changed the side pots slightly we have replaced the Shark side pot with a Yellow Tail side pot. This will allow us to advertise on the radio and make it more exciting to be in the tournament.

The prizes for the tournament will be:

- 1st place marlin- \$1500;
- 1st place Tuna- \$1000;
- 1st place IGFA- \$500;

2nd place for each fish category will be rods and reels.

Seminar date at Bali Hi:
Thursday, August 4th, 6:30 p.m.

Captain's Mtg. Friday, Aug. 26th. ~ Mandatory.

Tournament begins at 12:01 a.m. Saturday, Aug. 27st.

Weigh in Saturday, Aug. 27st, 4:00 p.m. to 8:00 p.m.

and

Weigh in Sunday, Aug. 28nd, 8:00 to 10:00 a.m.

Banquet: Sunday, Aug 28th

Tournament Entry fee: \$75.

Again, your help in getting donations for the tournament would be greatly appreciated. The more money we earn, the more kids we can take fishing.

Best regards,
Alexander Williamson

It's Pelagic Time!!! Reports of fish being caught is Springing in the air! Let's start it off with a 375 lb Thresher caught off of Newport and a few Mako's down our way. The Yellowtail have been showing up, as well as the Barracuda. Bonito are being caught on 1 ½ day trips ... hopefully hear for the BBB! There have also been some nice White Sea Bass caught ... a nice winning side pot fish for the Yellowtail tournament! If things slow down, you know you can still get into the bottom critters - they've been consistent since last year's tuna season!

Speaking of Tuna ... The Albacore and Bluefin are showing up 200 miles South of us, so get that gear ready. They should hit just in time for our July tournament! Remember, it will be a two-day tournament.

Now ...

Get Bent,
Gary Mouritzen

Note the Cowcod question below. Though we may be aware of this rule, we don't always think about it when we catch a Cowcod in Mexico. Also, Fish and Game has been intercepting boats coming into Mission Bay lately and asking for import declaration forms. The forms can be found at: http://www.dfg.ca.gov/enforcement/docs/declaration_form.pdf

See the email message ...

NEWS RELEASE FOR IMMEDIATE RELEASE : May 5, 2011

California Outdoors Q&A:
Question: If we're fishing in Mexican waters and catch a Cowcod, can we legally bring it back into a California port as long as we have all of the proper licenses and the Declaration for Entry form properly filled out? I'd just like to know for sure as we fish Mexican waters frequently, targeting rockfish, and I'd like to avoid a citation. (Jeff M., San Diego)

Answer: No. Cowcod may not be imported or even possessed in California regardless of where caught (Fish and Game Code, Section 2353(a)(2)). Broomtail groupers and canary, yelloweye and bronzespotted rockfishes are also illegal to be possessed or imported into California under this regulation and under California Code of Regulations (Title 14, Section 28.55(b)(1)), even if they were taken legally in Mexico.

Lindo Lakes Fishing Derby

A great time was had by all. The children got to fish, eat and win prizes. The San Diego Rod and Reel Club showed up in true colors and had a great time together. If you've never attended one of these events, you are truly missing out on such a fun and rewarding experience. Next time we ask for help, join in on the fun!!!
