Fishing with the Boy Scouts ... on the Indian:

Halibut Tournament

A Letter of "Thanks" from Bill Schneider's wife, Nancy:

Dear members of the Rod & Reel Club, The Schneider family is still remembering the loving tribute to Bill given at the annual banquet of the Rod & Reel Club, held shortly after his passing. We have saved the reprint from the club bulletin. Not only were you generous with sharing your thoughts about Bill, but you were also very generous in presenting gratis banquet tickets to the family members present. Bill was very proud that two of our grandchildren were to be presented with awards for their fish caught – and caught & released – last summer in Baja. He was certainly with us that afternoon at the Bali Hai, in spirit. We think of him now as having "Gone Fishing." Sincerely, Nancy Schneider
