

# January Meeting at The Weevil Burger

Our January 4th meeting will be at a different location as the Bali Hai is booked.

The Weevil Burger is located at:  
**9104 Fletcher Parkway, La Mesa 91942.**  
It is close to the 125.

In its strip mall, it is closest to the Shell station that's out on the corner. If this location seems strange, flip through our directory; we have a lot of East County members.

**Our social time starts at 6:30 and the meeting is at 7:00.**

The owner is giving us over half the room at no charge. Do the right thing and show up a bit early to order something. The special on Thursdays is the hearty half-pound steer burger with fries for \$6.99. Soda refills are free, and they have several beers on tap.

This was a Boll Weevil, if you remember those, and it's as good as ever. The menu is extensive, the salads are nice and fresh, there are desserts, and their hot dogs are the best in town.

**Remember, this is one of only two opportunities to get your tickets for the awards banquet on Feb. 25th.**
